DEMOISELLES
IN/OUTDOOR FR

DEMOISELLES IN/OUTDOOR FR

DEMOISELLES IN/OUTDOOR FR is a very versatile fabric, it has a linen look, is very heavy and is suited both for indoor and outdoor use. This fabric is made in conformity with the environmental regulations in force in the EEC and is also fire retardant. Inspired specially in the modernist painters such as Gauguin and Picasso with the use of a stylized human figure and exotic flora resorting to the use of flat colours to define shapes. The use of Polynesian tattoos elements reinforces this south pacific islands rich tradition.

ARTE

ARTE WATER REPELLENT

ARTE is an elegant microfiber fabric with a soft suede touch, high quality and resistance. Inspired by the effervescent Modernist Movement and its creative painters. You can feel each brush stroke and rich colours along the fabric, through each curve and line that intersect each other freely and dynamically creating vibrant and irregular shapes in tune with this artistic speech. An abstract expressionism translated into brush strokes, colours shades and wavy shapes based on fascinating and intriguing colour ranges. It creates stunning atmospheres to match with other fabrics

DIGBY VELVET

DIGBY VELVET

Contemporary luxury and intriguing atmospheres. DIGBY VELVET is an elegant jacquard velvet with a bold identity, it creates a perfect artistic dialogue between the geometric pattern and elegant shades of colours. Inspired by the new wave of British artists, some of them involved in a re-interpretative processes of art and by a glorious past for an elegant and distinctive present. Digby Velvet is an elegant and fine jacquard velvet with a geometric motif that recalls the numerous facets of that historical time. Revised and re-designed with a contemporary touch to become timeless. It has a significant materic effect, it creates and enhances the strong identity of jacquard velvets, with little geometric patterns and animalier.
