Book of Little **TREASURES**

Harlequin presents Little Treasures, a playful collection of 33 wallpapers and 36 fabrics, all created with love, for the little people in our lives.

Think of each design or character as the chapter of a favourite book and conjure up what happens next.

Whether you're ringside at the circus, flying high amongst starlit skies, wishing on colourful rainbows or exploring with creatures great or small, Little Treasures is all about bringing imaginations to life and having fun.

We've hidden Lola ladybird all over our little treasures book, how many can you find?

HARLEQUIN

As day breaks, jumping foxes
leap over fresh meadow flowers,
playing a game of hide and seek in
their wonderful outdoor world.

Fluttering butterflies
dance to the Blue Tit's song
as bounding bunnies join in the
fun. Everywhere you look, this
beautifully hand painted design
is full of life.

HANGING INSTRUCTIONS

This design is made up of four 300cm high drops of wallpaper, supplied and printed as one continuous roll measuring 68.5cm in width. The individual drops are indicated by a cut line for ease of hanging.

This wallcovering is printed digitally onto a non-woven base, which is strong and flexible, allowing the wall to be pasted rather than the substrate itself.

The wallcovering can be tailored to room height by removing any excess from the top and / or bottom of each length.

To achieve the best result we recommend the use of a professional decorator experienced in hanging wide width papers.
