Mural Size: 372 x 280 cm (WxH)

A dining table with two woven pendant lamps hanging above it, set against a background of a forest with tall, thin trees. The scene is dimly lit, with the light from the lamps illuminating the table and chairs. A pink candle in a brass holder sits on the table, and a vase with orange flowers is visible on the right. The text "WALLPOWER FAVOURITES" is overlaid in the center of the image.

BESPOKE WALLCOVERINGS

There's no better way to mark your space with a collection of favourite prints.

Thanks to digital printed wallcovering, treasured moments can be immortalized while adding character to your habitat and work spaces. Your very own creations can include personal photos, murals, city scapes, maps, patterns and illustrations. The sky is the limit so let your mind wander!

▼ WHERE DO I START?

Start with a good quality digital photo or art. For more variety, you can also purchase stock images on-line or even capture some yourself with a digital camera. Measure the wall and send along with image to your wallcovering specialist at Goodrich Gallery.

▼ WHAT IS THE MINIMUM RESOLUTION REQUIRED?

All images must be at least 500 dots per inch (dpi). Suitable image formats include TIFF, JPEG, PSD, AI or Vector.

▼ HOW LONG CAN THE PRINTING LAST?

Digital wallcovering on paper can last five to seven years indoors and three years if exposed to direct sunlight. For durability, ask for UV printing which is applied over the ink printed wallpaper and dried by exposure to UV radiation. Advantages of UV printing include:

- ⚙ Non-volatile organic compounds
- ⚙ Faster drying time
- ⚙ Sharper print
- ⚙ Scratch resistant

▼ WHAT IS THE PRODUCTION TIMELINE?

Upon confirmation of both order and artwork, feature wall sizes can be completed within two weeks subject to availability of materials.

▼ ADVANTAGES OF DIGITAL PRINTING

Digital printing offers quality, durability and user-friendliness which includes the following:

- ⚙ delivers superior quality printing which is highly durable
- ⚙ suitable for residential and commercial spaces
- ⚙ hassle-free installation
- ⚙ good opacity coverage for most walls
- ⚙ special surface finishing for a professional print output
- ⚙ choice of different surface textures to enhance print output

4 ELEGANCE EMBRACED. Provides an air of quality and richness absent from bare walls.

5 BOLDLY FORWARD. Elevates character in dull rooms.

6 PERSONALISED ART. An excellent canvass for creating texture with your favourite prints and patterns.

7 EXPRESS YOURSELF. Unleash your creativity! Select a wallcovering that best represents your personality and style.

8 TEXTURES & TALES. A more interesting option to paints, wallcoverings are economical, lasting, easy to maintain and install.
